Limited Edition Medallions

Awarded for bravery and bearing the simple inscription "FOR VALOUR", the Victoria Cross (VC) is the highest award for bravery in the British Empire. The Sands of Gallipoli Limited Edition Medallions feature the 10 ANZAC VC recipients of the Gallipoli campaign. The fronts of the medallions bear portraits of these VC recipients masterfully recreated in highly polished silver and frosted gold plating while the reverse shows the 1904 Rising Sun badge.

A set of five and a set of two limited edition medallions are available. Both come with a vial of genuine sand collected from the beaches of Gallipoli, a replica Victoria Cross and a certificate of authenticity. The set of five limited edition medallions also features a replica 1904 Rising Sun hat badge.

No more than 2,500 sets of five medallions and 5,000 sets of two medallions will be released. Each set comes with a numbered certificate of authenticity. **Early orders for Sands of Gallipoli 2010 Limited Edition Medallion sets will be given priority for lower numbered sets.**

The Sands of Gallipoli collections have contributed over \$500,000 to the RSL
